

Dear Twirlers and Parents,

Our boys and girls are doing a wonderful job and learning so much. I'm very proud of their effort! We'd love to show you what we've learned this semester, so we invite you to attend your twirler's last class before school's winter break (the week of Dec. 13). We'll show off our talent!

Beginning in January, there will be a new twirling opportunity. On the following dates: January 8, February 5, March 12, April 16 and May 21, we will have a fabulous two-hour twirling clinic at Orchard School specifically designed for those girls and boys who enroll. All ages and abilities are welcome and by registering in advance. I will plan twirls, games, activities and treats that will work the best for each child. We will be choreographing our twirls with dance and music in preparation for our Spring Recital. Costumes will be ordered for our performance, so parents, please bring your checkbooks on January 8th, and return to Orchard by 3:15 to help measure your twirler for a costume. The cost of each clinic is \$55 and is **due one month before** each clinic. Late fee – add \$10; so sign up early. **Save \$25 by paying for all 5 clinics by December 8th (\$250 total).** We want to build on the wonderful momentum from this fall and keep on progressing!

Because competitive twirlers need an extra edge, there will be additional sessions for them. These sessions will also be at Orchard and will remain at the same time as their current session. Individual lesson fees remain the same as this semester. By attending the clinic and the additional class, we'll keep you tops in twirling! Additional Private lessons available.

I'm sorry I won't be able to continue our weekly school lessons during the winter – I'll be traveling a great deal. But I hope by planning early (mark those calendars), you will be able to participate in our clinics and other lessons. We need YOU at each clinic!

If you have questions or just want to talk, please call 317-592-1971 or contact me via our website:
